

AMPAREX

PRACTICE MANAGEMENT SOFTWARE

**PRACTICE MANAGEMENT
SOFTWARE FOR
AUDIOLGISTS**

Our software

AMPAREX is a web-based software. You can run it wherever you are. We will provide all the necessary server infrastructure and we will maintain it. So instead of dealing with installations, updates and backups you can focus solely on your patients. We will look after the rest for you.

The technologies we use along with our innovative approach to software development give us a crucial market advantage. We transfer this advantage directly to you, with the aim to help your business grow.

You always acquire a full version of the software including all modules like appointment scheduling, statistics or marketing.

Customer reviews

AUDIFY®

EXETER, UNITED KINGDOM

Curtis Alcock, managing director

“We have been using AMPAREX now for several years and have found it to be a powerful, robust and flexible system that has proved capable of growing with us and adapting to our changing business needs. Just as important has been the outstanding support we continue to receive from the AMPAREX team, who never run out of patience in explaining how to get the best out of the software. We would have no hesitation in recommending AMPAREX to other practices in the UK.”

WIED GMBH & CO. KG HÖRFORUM

LUDWIGSBURG, GERMANY

Jochen Wied, managing director

“AMPAREX helps our efficiency as a practice and enables to focus on our customers. We are able to fine-tune care processes and document templates so we can tailor the program perfectly to our needs. We always receive fast and friendly responses to our questions whilst change requests are timely implemented. That's what we call a perfect customer service!”

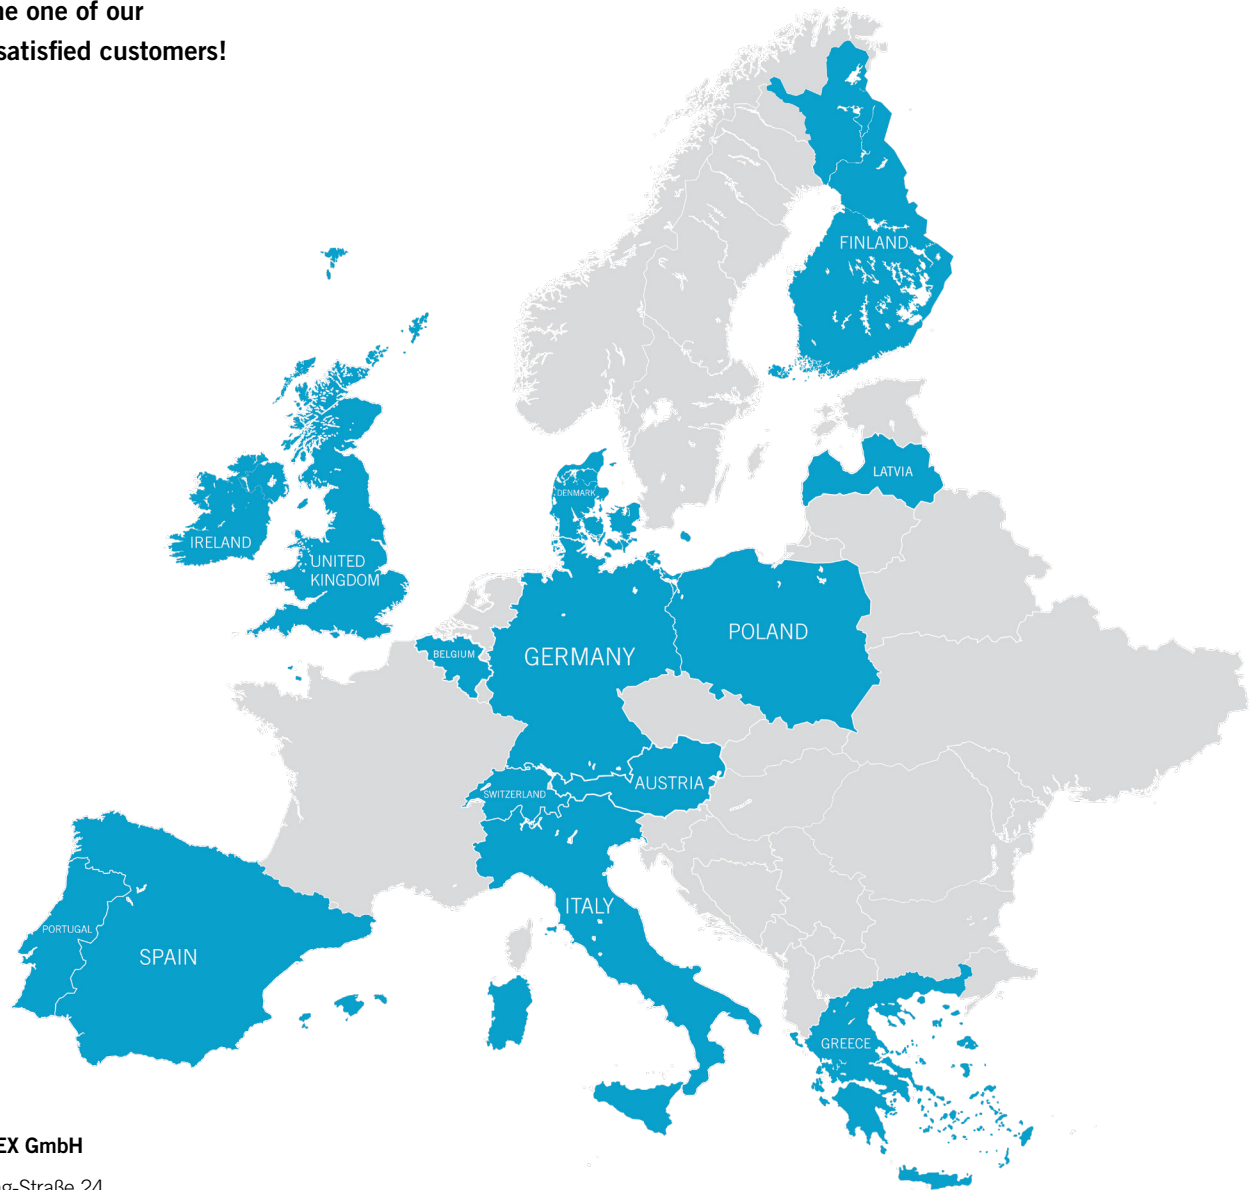

INSTITUTO AUDITIVO SALESA,

BARCELONA & MADRID, SPAIN

Patricia López, INSTITUTO AUDITIVO SALESA

“After five years with AMPAREX (I started in October 2011) I am proud to say that I never had any issues running the software. AMPAREX is a reliable, trustworthy and sound company. I do appreciate our cooperation and value their qualified support. Their professionalism makes up for a great customer experience.”
